

What is Readers' Choice?

Readers of the Guelph Mercury were given the opportunity, through mail-in and online balloting, to select their favourite businesses across a host of categories.

Guelph Mercury tabulated those ballots and listed the top 5 vote recipients in each category as part of the Readers' Choice Nominees section that published on May 16th. A second round of voting then began – and the top three vote recipients in each category will be announced with our Readers' Choice Winners section on July 4th.

So read the Guelph Mercury on July 4th to view the winners in all categories. Thank you everyone for all your support in making us Guelph's favourite martial arts school 2 years running!
