

# **Caissie Karate Eskrima Stick Program Now Available!**

**Lets give a warm welcome to Jason Shute!**

Jason began his study of martial arts at the age of 7yrs by learning the "sweet science" of boxing from his grandfather who had been a light/heavyweight champion. Ever since then he has been trained in a variety of fighting arts. For over 20 yrs he has studied extensively throughout Asia, training with masters in such arts as Tibetan Kung Fu and Kali. His passion for the striking arts and for close range weapons fighting has taken him to traditional Muay Thai camps in northern Thailand, and to the toughest Eskrima gyms in the Philippines.

Jason earned his black belt in DUMAA ESKRIMA from Master Ike Villaflores, and the Dumaguete Arnis Association, and continues his training with undefeated Grandmaster Cacoy Canete at the Cacoy Doce Pares headquarters in Cebu City, Philippines.

Officially recognized as a teacher of the DUMAA style in Canada, and a representative of Cacoy Doce Pares, Jason is also a member of Arnis Philippines , WEKAF ( World Eskrima Kali Arnis Federation), a 2009 JUNO nominated musician, and a professional dog trainer.
